Total: \$ _____ x 5% = \$ _____

*50% to Single Largest and 50% to Heaviest Stringer

**Added Levels A & B based off your day 1 & day 2 vs. competitors day 1 & day 2.

***50% to charity, 50% to Single Largest Tuna

Added Levels: D, E, F, I, J & K - Can only win in one (1) category, Single Largest or Heaviest Stringer, not both.

****Pays out 1st, 2nd, & 3rd in both Single Largest Tuna and Heaviest Stringer

The total purse will be divided by three (3 days). Each day's purse will be split evenly among those winning for that day. If there are no winners for a particular day, the un-won prize money will be split evenly among the purses of the remaining days. In the event that there are no winners on the last day (Sunday), the un-won prize money will be evenly split among the previous 2 day's winners. If there are no winners for the entire tournament, the money will be carried over to 2019.

Example: Let's say the total purse for the "Leaderboard Lotto" B Reward is \$54,000.00. That figure would be divided by 3 (3 days) giving each day a purse of \$18,000.

Those who are in this Calcutta and remain on the leaderboard at the end of each days weigh-in will evenly split the purse for that day. If there is only one winner, he would take the entire \$18,000.00. Two winners would get \$9,000.00 each and so on.

Cash awards will be paid via check and available within two weeks following the tournament. Each winning team must fill out a disbursement form with the payee name, address and SSD/EIN number before the check will be cut.
